FULL-ON / TWILIGHT PSYTRANCE | CAPE TOWN -> VIETNAM

Counter Culture is the high-energy Psytrance project of Cape Town-born producer, mix engineer and mastering artist Dwayne Lucas. Active since 2015 and now based in Vietnam, the project combines driving basslines, sculpted percussion, psychedelic detail and melodic power. Its precision-built sets draw on a decade of releases and original material, creating a controlled journey of tension, momentum and release for festival and club dancefloors.
